

## Isaiah 42:12 Missions

Hi faithful friends and family. First off, we want to thank you so much for the financial support you have given to us this last year and of course for the prayers that have been voiced on our behalf. Many of you have faithfully been supporting us for two years now and we cannot begin to express how much that has been a blessing to our family and work on Tanna. Without you partnering with us, we would not be able to continue doing the ministry that God has called us to.

This past year has been one for the ages. We never in a million years ever expected to be “stuck” in the US because of a global pandemic. We came home with the expectation and intention to return to Vanuatu in 5-6 weeks. We even had assurances from the foreign affairs and immigration departments of Vanuatu that our return wouldn’t be a problem. As we learned, not only did our return become an issue, so did the return of many Ni-Van nationals. Some of whom have been stuck out of country for 2 years now. We can clearly remember having a conversation via messenger with our pastor at Crossgate and expressing our prayer support as he was forced to minister remotely because of the pandemic. We expressed how difficult that must have been to navigate through. However, many months beyond what we expected, we found ourselves doing just the same

as we were forced to minister to the people in our village remotely via Facebook messenger and FaceTime. God uses many different means to keep us sensitive to His leading and submissive to His sovereignty. He is also faithful to remind us that His ways are not our ways and He isn't obligated to reveal everything to us at anytime. That's because He is God and He does as He pleases.

So, while we have enjoyed extra and unplanned time with family, we are so ready to return to Vanuatu to continue what God started there. The good news is, that Vanuatu's borders are reported to be opening in early March. We are praying to that end or sooner, if God wills it.

We are so excited to see what God has in store for the people of Tanna and for us as we continue to serve Him there. We are trusting that He will bring a mighty victory over the strongholds satan has on the people there. We cannot continue to labor making more and better disciples as God has called us to without your continued prayer support and financial support.

Thank you all again so much for your interest in what God is doing in Tanna and the South Pacific. Thank you entrusting your support to us and for partnering with us in this kingdom effort. We love and appreciate you!

God richly bless each of you!

Clint, Crystal and Ryan.
